Protecting Your Future with faith and Financial Wisdom

About Me

In 1992, I began my career as a Provincially Licensed R.E.S.P. Agent.
Since 2000, I have been a Provincially Licensed Life Insurance Agent & Broker offering Life Insurance and Investment Services.

I am Licensed in P.E.I., New Brunswick, Nova Scotia and Newfoundland and Labrador.

I am contracted with several life insurance companies in Canada, offering Financial Services through different Canadian providers. My commitment is to each person the Lord places in my care.

I help people pre-plan for the financial events most likely to occur in their lives. As a Christian, I strive to provide the highest standard of service, following the guidance of Colossians 3:23:
"And whatsoever ye do, do it heartily, as to the Lord..."

I am a servant of both the Lord Jesus Christ and the customers I serve.
The Lord Jesus was a servant, as well as our Saviour. I seek daily to follow His example in my work.

My business, named "In His Service - Financial Services", reflects my mission.
Ultimately, it is His business, and I am privileged to manage it in His Name.
